SRINSOFT RECEIVES ISO 9001:2015 CERTIFICATION FOR OUTSTANDING QUALITY COMPLIANCE

SrinSoft is proud to announce that we are now certified as an ISO 9001:2015 Quality Management Standard compliant Organization

Chennai, India February 1, 2016: SrinSoft Technologies is proud to announce another milestone in the history of the company. Owing to the excellent quality standard compliance and best practices, SrinSoft has migrated from ISO 9001: 2008 to **ISO 9001:2015**, the latest revision of the ISO 9001 standard. With this, SrinSoft has achieved a commendable feat of becoming one of the first few companies to be certified under the 9001:2015 revision.

“SrinSoft has always invested in business that ensures quality services to the clients. This is a huge value addition to our organization and also an assurance to our esteemed clients that we are following the highest standards in our operations, process and management” **Ram Hari, CEO**

About ISO 9001:2015

ISO 9001:2015 sets out the criteria for a quality management system for organizations. This standard is based on a number of quality management principles including a strong customer focus, the motivation and implication of top management, the process approach and continual improvement. Using ISO 9001:2015 helps ensure that customers get consistent, good quality products and services, which in turn brings many business benefits. [Click here](#) to know more.

About SrinSoft Technologies

Established in 2005, SrinSoft is a recognized and rapidly growing company of Enterprise and Engineering solutions, offering development, support and management for the latest technologies in the digital world. Driven by the best practices and latest trends of the tech-world, we offer engineering, technology and business solutions.

After establishing a solid foundation in the United States and India with over 100 esteemed clients, SrinSoft is now spreading its wings wider by expanding the business territory to Middle East through **Olilo technologies**, a division of SrinSoft Technologies.
